If you are injured during any accident or during your working hours then you may look for getting compensations. If you are expecting to get good compensations then a good personal injury lawyer certainly help you in that. (Photo : DocumentarySilver/Youtube)

Personal injuries can be a real bother. They can be especially troublesome if they may have happened by accident or by mistake. A personal injury can range from car accidents to botched surgery and harassment. Finding the lawyers that can help you with such a delicate manner can be difficult.

The good news is that in Manhattan, you can find a lot of lawyers that will be more than happy to help you. What's even better is that the lawyers in Manhattan are known for having some of the best lawyers and law firms in all of New York. With the help of [Avvo](#) and with the review from [Yelp](#), we hope that these seven lawyers will be able to help you as much as they helped everyone else.

1. Brian Pasacale: With a 10/10 rating on Avvo and an average of five stars from 54 reviews, Brian C. Pascale is one of the most famous personal injuries lawyers in Manhattan. He works for the WeitzPascale law firm which specifically handles personal injury cases.

2. The Law Firm of Silbowitz, Garafola, Silbowitz, Schatz & Frederick: This is a law firm comprised of some of the most skilled and experienced personal injury lawyers in all of Manhattan. They represent an array of cases in the personal injury and all of their lawyers are highly experienced and qualified, as stated by [Autoaccidentattorneyinmanhattan.com](#)

3. Joseph Dell: Joseph G. Dell proudly represents Dell & Dean, PLLC law firm as one of their partners. He is the president of the law firm and has had a long career of accomplishments, including being one of the top 10 personal injury lawyers in New York.

4. **Micheal Joseph:** Micheal Howard Joseph represents the Law Office of Micheal H. Joseph, PLLC and is one of the partners at the firm, having extensive experience in personal injuries and accident cases. He has successfully represented hundreds of clients in several occasions, including trial, on appeal, at arbitrations, and at administrative hearings.

5. **Elite Personal Injury:** The attorneys over at Elitepersonalinjury.com are considered to be "one outstanding beast of a law firm", guaranteeing a high success rate coupled with strong and formidable lawyers to assist you in personal injury cases and other fields if need be.

6. **Friedman, Levy, Goldfarb & Green, PC:** This law firm has served America for 50 years and is considered a premier law firm in personal injury. With its founding principle being that all people should be entitled to competent, trustworthy and aggressive legal representation, the people at this firm are sure to fight for you.

7. **Eric Richman:** Eric Richman serves to represent the Law Offices of Eric Richman, where Mr. Richman has spent his life fighting for families and injury victims. What makes the law firm stand out is the extremely personalized representation they give to their clients, as well as an impressive level of passion and professionalism.

With these seven lawyers, the help you need for your personal injury case is but a call away.
